The tapping fee for meter sizes above 8" and for all fire service connections will be individually calculated based on meter size and type, service location and line capacity. Fire service charge is based on 10% of the minimum tapping fee for the selected water meter size. Meters for 2" and smaller services will be provided by the Authority.

* For all non-residential connections (meter size greater than 5/8" x 3/4") the Authority reserves the right to verify usage and impose additional charges if usage exceeds the meter allowance.
